

We would like to inform you of some changes to the information provided previously regarding the Suvara 2021 quiz and the technical issues experienced by some of the participants on 23/10/2021.

Although it was communicated earlier that there will be a re-test for all age groups, after careful consideration it was decided that there is no requirement for a re-test for 8 – 10 age group as there were no issues and the quiz was completed successfully by 8 – 10 age group participants. The score achieved on 23/10/2021 will be carried forward for this age group.

It was reported that some of the participants from Year groups 11 – 13, 14 – 17 & 18 plus (Adults) experienced technical issues due to the failure of the FlexiQuiz application. Therefore, there will be a re-test for these age groups on 30/10/2021. Participants can log on to complete the quiz at any time between 8:30 pm and 9:30 pm. Participants who were able to complete the quiz on 23/10/2021 will also be able to attend the re-test if they would like to improve their score. The best score out of the two quizzes will be carried forward.

QuizMaker application will be used going forward for all age groups.

If any of the participants who are unable to attend the re-test as they are taking part in the Bible Apostolate Award ceremony 2021 in Birmingham on 30/10/21, please contact us in advance by sending an email to bibleapostolate@csmegb.org or on one of the numbers below:

Sudeep - 07791 508900

Shaju - 07846 297631

You will receive an email by Friday 29th October with user instructions for QuizMaker, username and password or a link to the quiz. If you do not receive this email by Friday, please contact the above numbers. Please check your spam/junk folder prior to contacting us.

Please note that there will be no change in the date or time for competitions after 30/10/2021.
